

OUR PRODUCTS

Vinyl Fencing

Vinyl requires virtually no maintenance or replacement costs and will look new for years to come. Most importantly, we manufacture all our own fencing products ensuring maximum quality.

Aluminum Fencing

The ultimate combination of strength and durability, aluminum fencing has been around for years. If you prefer traditional, then aluminum is for you.

Glass Fencing

Glass fencing can provide the protection, security, and safety for you and your loved ones without hiding the beauty of your landscape and surroundings.

Chain Link Fencing

The traditional chain link fence is still one of the most common and cost effective ways for securing your residential or commercial property.

DECKS

Increase Your Living Space

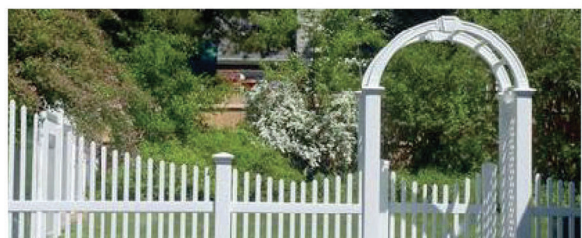

Why stay cooped up inside when you can extend the living space of your home with a custom deck by McKown? We manufacture all parts of the deck using the finest materials so your deck is strong, sturdy and reliable and provides a great way to enjoy the outdoors.

ARBORS

Enhance Your Entrance

With these carefully crafted arbors you are sure to capture the eye of your guests as they will add unparalleled beauty to the entry way of your backyard.

RAILINGS

More Than Just Support

Traditional wood railings can give your property a simple and rich appeal, while glass can add style and stature to any deck or pool. If a contemporary look and low maintenance is more your style, our vinyl railings are a great option.

PERGOLAS

Center Of Attention

If you love spending time outside, these classy structures are a great option. Pergolas will add both style and shade to your favorite outside entertaining area.
